# City Newsletter: August 2022

## 68TH & HICKMAN ROAD ROUNDABOUT UPDATE

The City of Hickman would like to thank you for your patience during the construction period of the new roundabout at 68<sup>th</sup> Street & Hickman Road and pedestrian undercrossing on 68<sup>th</sup> Street and Prairie View Lane.

We have received several concerns regarding the traffic in your neighborhoods and acknowledge that the increased traffic raises new safety concerns.

Due to your concerns, we have requested additional traffic patrol by the Lancaster County Sheriff's Office, will be placing additional traffic control signage, and are currently researching the availability and placement of temporary speed bumps during the construction period.

Street Project Information, Updates, Traffic Control Plan and Local Access Map available at the City's Website & Facebook Page

### Traffic Note from Norris School District:

Norris students and families should plan to allow extra time for getting to school if 68th Street through Hickman is a part of your regular route. If you:

- Live in and immediately North of Hickman, use the marked detours in town.
- Live near and North of Roca Road, you should plan to use 54th St to Hickman Road and then follow the in-town detours, or take 82nd Street South to Panama Road and then back to 68th Street.

Please have a conversation with your student drivers early about what route is the safest option for them and your individual circumstances. Students will need to leave earlier, be mindful of cars turning onto the road at different locations in heavier numbers than usual, be patient, and practice safe driving habits.
